

A HOME FOR CERAMICS KATJA KROMANN

ABOUT KATJA KROMANN

I live and design by these eight words:

Aesthetics Function Scale Texture
Color Balance Message Flow

I make ceramics in my studio located near Seattle, Washington, but I am originally from Denmark and moved to the US in 2000. My Scandinavian roots still strongly influence my designs.

BE THE FIRST TO KNOW WHEN I HAVE A SALE

Every time I have a sale or I am going to be at a market, I let my subscribers know first. To sign up, please go to ahomeforceramics.com or use the QR code on the back.

BEHIND THE SCENES OF A HOME FOR CERAMICS

Between sales, follow along on ahomeforceramics.com to read stories from my studio, browse the gallery and follow me on Instagram @ahomeforceramics.

DID YOU NOTICE?

My letter K clay mark, when rotated clockwise, is a happy little guy dancing? Once you see it ...
